# MUSIC & FUN FEST

Dear Sponsor,

When a small group of dedicated parents and I started Midwest Young Artists in 1993, I could not have imagined the trajectory of our growth. That first year, MYA had just one orchestra with only 50 members which rehearsed in rented space. We are proud now that through a grant from the US Department of Education and the pro bono efforts of many parent professionals, we own our building at Fort Sheridan, which has enabled us to have a stable base from which to accomplish our goal of providing the highest quality music ensemble education in a supportive and nurturing environment.

This base has placed us firmly in the North Shore community, bringing over 900 young musicians who participate in five Orchestras, three Jazz Big Bands, three Choral groups, more than 60 Chamber Music ensembles, seven Jazz Combos, an Honors Wind Symphony, Music Theory classes, our recently added Miniature Young Artists for very young children, and our extensive summer program offerings, to the area for countless hours. These young musicians truly have a home here and with your support we will be able to continue our mission of enriching the lives of not only our students but also the community.

On May 16, 2010 Midwest Young Artists will hold its 3<sup>rd</sup> Music and Family Fun Festival at Fort Sheridan. With the partnership of sponsors like you, more than 1,200 members of the community came to enjoy the music and festivities last year. This year we are looking forward to an even bigger celebration with the support of the businesses of our community. I hope we can count on your support and that we can share this day with you.

Your support as a sponsor will allow for us to strengthen this community through the power of music, together.

Sincerely,

Allan Dennis  
Director
