

Evening Jazz Ensembles

July 10 – 27, 2012

The **Evening Jazz Ensembles** are geared toward serious music students who want to continue their ensemble experience during the summer, but are too busy during the day to participate in a full-time music festival. You can work or go to summer school and still learn great jazz repertoire and prepare for concerts at various well-known venues. Evening programs are for students who have completed 6th through 12th grades.
